

Water TechniX SoniX Robotic Cleaner

Tested and developed in Aussie pools for Aussie pools, the SoniX is our vision of the ultimate cleaning machine. With powerful suction, intelligent path cleaning technology, a long-lasting battery, 2 years warranty and lifetime free access to our pool experts, the SoniX effectively cleans your pools walls and floors all cordless!

Featuring a dual ultra-scrubbing brush wheel drive system that can effectively scrub away organic stains from surfaces, the SoniX easily picks up leaves, sand, grit, hair, and algae, while having excellent climbing abilities for thorough cleaning. Plus, with its floor-only 'fast mode' option, you'll have a sparkling pool in no time.

Features:

- Suitable for all pools and surfaces, up to 19m x 20m (380 sq meters!).
Able to pick up small, medium, and large debris.
- Cleans both the floor, walls, and will try and climb the stairs to the waterline!
- Can be used in all pool surfaces, Concrete, Fibreglass, Tiles and Vinyl.
- Includes floor-only "fast mode" for when you need it cleaned, quick.
- Equipped with two heavy-duty PVA brushes.
- Active traction tires for easy navigation.
- Three power plant motors for consistent performance.
- Fully rechargeable in 3.5 hours.
- 3.5 hour run cycle for complete pool coverage.
- Intelligent cleaning path programming.
- Easy-to-clean 180 micron filter canister.
- Long-lasting 10,000mAh LITHIUM battery, tested to over 500+ recharges!
- Dry weight of 8.5kg.
- HUGE 2 year factory warranty against defects, (excludes consumables).
- *excludes tele-pole for the hook attachment.

With a powerful and long-lasting 10,000mAh LITHIUM battery, the SoniX will effectively clean your entire pool. With a fast charge time of 3.5 hours and a run time of 3.5 hours (210 minutes), you won't have to worry about stopping and starting mid-clean. Simply take it out when it's done and chuck it on charge, ready for its next cycle.

Overall, the Water TechniX SoniX Cordless Robotic Pool Cleaner is a smart investment for anyone who wants a sparkling clean pool without the hassle of manual cleaning. With its powerful suction, intelligent path cleaning technology, and user-friendly design, the SoniX makes pool maintenance a breeze. Plus, with Mr Pool Man's excellent customer support, you can feel confident in your purchase.
